

Lions League

This program has been designed to be a fun and safe place for children with special needs and their families to enjoy sports, music, crafts, holiday events, movie days and so much more. The goal is to help children improve their motor skills, gain social skills and learn new skills while fostering a positive learning environment for them and their families. Lions League will offer opportunities for families to interact with other families with similar needs, as well as provide connections to the resources available throughout Big Bear Valley.
